Dear Friend:

On behalf of Wynona's House, a Child Advocacy Center in Newark, NJ, I am pleased to invite you to our Annual Charity Golf Outing event. Wynona's House promotes justice, hope, and healing for child victims of abuse, neglect, and violence by coordinating investigations, prosecution, treatment, and prevention services for Essex County children and families.

Last year, like much of the nation, we were forced to pivot. COVID-19 ravaged our families and disconnected us from the community and schools, both of which we rely heavily upon to report abuse and neglect. Additionally, schools provide meals to many of the families we serve. COVID-19 revealed that the disparities of education, healthcare, mental health are all fundamentally linked to the impact of economic inequality.

The need for the services of Wynona's House was great, and they went beyond abuse and neglect. We have always prided ourselves on providing what our families need when they need it. Last year, we managed to supply food from our pantry, presents, and meals during the holidays while remaining true to our hope, healing, and justice mission.

This year, to raise much-needed awareness and financial support, we are hosting our Inaugural Golf Outing at the Rock Hill Spring Club in West Orange, NJ, on October 15th from 8 am - 5 pm.

As we plan for this event, we ask that you join us in supporting the mission of Wynona's House by sponsoring the golf outing or underwriting a portion of the event. Your support is greatly appreciated and sorely needed. Our families need us, and we need you.

Thank you for considering this opportunity to increase awareness and help child victims in need. Every dollar we raise allows us to continue to provide desperately needed services for children and their families in crisis.

Thanking you in advance,

Gale Britton
Board President
